Cynthia is an Advanced Practice Registered Nurse and Divisional Educator for Bayada Hospice. She received her BSN from Creighton University, her MSN from the University of Pennsylvania, and Certification in Hospice and Palliative Care through California State University.

The first 21 years of her career, she practiced as a nurse-midwife, and has assisted more than 500 women in childbirth.

Ten years ago, Cynthia joined the Bayada Hospice team in Norwich, VT, and discovered a deep passion for caring for and supporting hospice patients and their families through end of life. As Divisional Educator, Cynthia provides end of life education to patients, families, facility staff, and communities in Vermont and New Hampshire.

Cynthia was raised in New Jersey, but gratefully settled in Vermont to raise her family. She has two adult children and lives in White River Junction, with her dog Ozzie and her garden.
